Class Description: We will be going through *Mama Bear Apologetics: Empowering Your Kids to Challenge Cultural Lies*.

Our world is not the same world that we grew up in. Our kids are immersed in a culture where Biblical Christianity is constantly challenged, deconstructed, re-interpreted, and redefined. Progressive Christianity, New Age philosophies, and Marxist thinking have crept into many denominations and churches, and we parents need to understand how to spot these errors so we can help our kids navigate through it all. *Mama Bear Apologetics* is a great first step to this process. The authors constantly point back to the authority of Scripture and to the sovereignty of God over the bad ideas taking over today's culture. They teach us to ROAR like a Mama Bear: **R**ecognize the false message, **O**ffer discernment, **A**rgue for a healthier approach, and **R**einforce through discussion, discipleship, and prayer.

This book has taught me how to live out my faith in my words and actions to my kids and those around me. I want to share it with you!!

This is a 12-week study, meeting on the dates listed above. There will be no childcare.
