Semester Length: Fall Semester: August 12, 2026 – December 16, 2026

No classes on November 25

Spring Semester: January 13, 2027 – May 19, 2027

No classes on March 24

Class Description: "The best camera is the one you have with you." You can create beautiful photos using any camera. This course is for beginners and will introduce and develop fundamentals of photography skills with an emphasis on composition and lighting. Students will be introduced to and develop fundamentals of photography skills with hands-on lessons and lots of room for creativity. We will have lots of fun while learning to take a well-balanced and beautifully composed photo. The class will go outside often to use natural light.
